RE: Invitation to visit NATEX AB in STOCHOLM, SWEDEN

Dear Mr. Hervé Rutagengwa,

I refer to the collaboration between NATEX AB and our organization on the elaboration of strategies to bridge the Nordic technologies and we are enthusiastic to have MEDMASOFT among the growing number of our projects and companies partners in Africa.

NATEX AB could communicate your wish to develop a sustainable partnership in software development to our various collaborators whose the core business is the information technology sector in Sweden your will to be assisted in getting either funds or technical assistance from Sweden. I have the honor to invite you to start the concretization of the collaboration agreement between your company and NATEX AB.

We herewith send you this invitation letter to enable you to get the visa from the Swedish consulate services in your country for your visa application to enter in SWEDEN;

We are ready to accommodate you in SWEDEN for the above mentioned purpose from 29th /03/2014 to 15th April 2014.

I stay enthusiastic to host you for our effective collaboration while surveying other opportunities that we may develop together and look forward to seeing you then.

Faithfully,

LARS Fredric HANSSON
CEO
